MARCH BOARD MEETING RECAP

At this meeting, President Bermudez began his remarks by thanking Cutler Bay's Mayor, Commissioners, and Manager for hosting the Board of Director's Meeting. The meeting was held at the beautiful Moss Cultural Center. Councilwoman Lord provided welcoming remarks as well as the invocation. Commissioner Ramirez led us in the Pledge of Allegiance. Manager Casals provided the host Town presentation. He was excited to announce the 1.5 billion dollar development project, along with the purchase of property for the new Town hall. He spoke about the wonderful upcoming projects and how pleased he was that the MDCLC board along with associate members attended the meeting.

Peter Iannicelli gave a brief presentation about EnTrust Global, one of this meeting's sponsors. He stated that they manage the money for many of the municipalities in South Florida. They have a co-investment business where they partner with others to invest in companies and private credit businesses that lend money to smaller companies. He provided attendees with a packet containing information about the company and opened the floor to any questions that they might have, as well as encouraged attendees to contact them with any follow up questions.

This meeting's member spotlight was the law firm of Weiss Serota Helfman Cole and Bierman. Mr. Mitch Bierman, Esq., spoke about the work his firm does and how they enjoy representing many of the municipalities. Lastly, Executive Director Richard Kuper gave his report and reminded everyone of the Miami-Dade County Days being held on March 29th and 30th.
